

# **FISCAL NOTE**

## **SB 10**

January 8, 2007

**SUMMARY OF BILL:** Prohibits smoking in all motor vehicles owned, leased, or operated by the State of Tennessee.

### **ESTIMATED FISCAL IMPACT:**

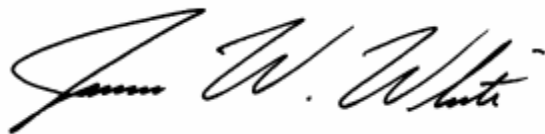

#### **Increase State Expenditures - \$2,500 One-Time**

Assumptions:

- General Services will affix a decal in each vehicle indicating a no smoking policy. The cost per decal would be approximately \$0.25 and the Department would purchase 10,000 decals for a cost of \$2,500.
- General Services has approximately 5,000 vehicles in use. The amount of decals purchased would provide a sufficient number of decals for replacement vehicles.
- The Department of Transportation and the Department of Higher Education currently have policies prohibiting smoking in vehicles and would not require additional resources to carry out the provisions of this bill.
